Dated: February 17th, 2025.

Users named Nikki and Lucas, with a decoy.

Founder of ODBIT has conducted an investigation searching for Nikki. There will be a 14 day period on this investigation, if we fail to identify Nikki, the case will be terminated. More case details will be released soon after this period. This will be an investigation that all of ODBIT will work in this investigation.

Dated: February 17th, 2025

Manager Nelson had photo evidence of Nikki's display name, "Nikkiisthebomb", which to further research, has found the original username using recognition via skin tone. In the game, it was a black female, and in the playerlist via searching Nikkiisthebomb, there was a black female, putting it side to side, had the same characteristics. There will be photos of the evidence after this page on the document. The investigation will be over after we have interviewed all of the suspects and witnesses. There will be NO MORE documentation on this topic, making this case closed forever, unless another interaction
